I believe we are waiting to hear back from Capital Planning Committee and I don't think she has heard back yet.

However, I can confirm that we can put 250033 on the 1/22 agenda. I know that Supervisor Walton was keen on keeping delays to a minimum on that item. Let me know if that works for your team.

Hi Beverly,

Thanks for reaching out. I'm copying the co-sponsor's office. Based on a conversation between Connie and Joel, it sounds like they may want to weigh in on scheduling.

Thanks,
